Sickness at school:

If a child complains of illness at school, or a staff member notices signs of illness, the parents will be contacted and if necessary, required to collect their child from the school.

A child should not be sent to school in the following circumstances:

- If a child is running a high temperature during the night before
- If a child has been vomiting or had diarrhoea during the night before
- If the child's nose is thick with mucous and / or has a cough with lots of phlegm
- If the child has nits or lice.
- If a child is on antibiotics.
- If a child is showing any symptoms of chicken pox or measles.

If your child shows any signs of illness but your Doctor has indicated it is merely allergies and not contagious, a medical certificate needs to please be given to the class teacher indicating that your child is fit for school and not contagious. It is in the interest of the other children at school as well as the staff that no sick child is permitted to school.
